Elizabeth Vickers,

This letter is to advise that a review of the curriculum of the Personal Support Worker offered by Vickers Distance Education has been completed. It has been determined that the program content meets the technical training requirements set by Apprenticeship and Occupation Certification for Entry Level Training. Therefore, graduates from your program will be recognized as having met the theoretical requirement for the Entry Level Personal Support Worker.

Please note this approval is for the calendar year 2024, and will need to be reviewed annually.

Should you have any questions or concerns, please feel free to contact me.

Sincerely,

Rob Reid
